Hi David,

This seems repetitive. Do you think they have new input?

I will not be able spend any time on this before the call because Alexa has me focusing on a priority detailed administrative record for Florence Copper. Let's discuss today when you have a chance.

Thanks, Nancy

Hi Nancy, Rebecca asked me to respond for her. We would like to discuss the 4 issues you outlined in your email of January 23 to Rebecca. In addition, we would like to discuss any outstanding concerns that Jim Walker still may have regarding our comment responses from December 2016.

Thank you,

Alison H. Jones, R.G.
